F-cupper Juliana Simms has already won the hearts of several readers.

JULIANA ALREADY HAS HIS VOTE FOR TOP NEWCOMER

Dear *Voluptuous*,

I've just received the June '15 issue and I wanted to share my thoughts. In my opinion, the two best girls featured in the magazine are Juliana Simms and Lola. They are probably the only two girls I consider to be fantasy girls, so I will only comment on those two at this time. I'll start with Juliana. She is already drawing comparisons to Joana, but I honestly think she is much better than Joana when Joana started. Of course, Joana has grown much sexier

with age. Now, if you were to compare her to Joana currently, this would be a challenge for Juliana. I'm not sure if she's quite on Joana's level yet, but I am certain that she is by far the best newcomer of 2015. Honestly, I would even place her ahead of the lovely Alaura Grey. Juliana is not only attractive, but she is exotic and has a shapely, well-proportioned figure. Juliana has a face pretty enough to be on television or in movies. You guys didn't mention where she's from, but I would guess Romania. If she is Romanian, I would say she is certainly the best to hail from there since Joana and Arianna Sinn.

As for Lola, earlier I said she along with Juliana are fantasy girls, but I have to retract that. She could become a fantasy girl to me after viewing her a few more times, but I don't think she is quite there yet. When she debuted, I wasn't sure how much we would be seeing her since she said she could only model on weekends due to her school schedule. Luckily, we have seen her three times in the past eight months. And that isn't too bad at all. She's a little braggadocious about her sex skills, but I'm not going to hate on her. She certainly does back it up. Though I said she isn't quite a fantasy girl yet, maybe her next pictorial will get her there.—S.M., Baltimore, Maryland

HE'S MET HIS NEW FAVE GIRL-NEXT-DOOR IN CHLOE

Dear *Voluptuous*,

First of all, I would like to commend you on such a great titty magazine. Being a lover of big-titted ladies, you definitely know how to find and shoot them in the sexiest ways possible. I love their big, beautiful titties, wet, warm, shaved pink pussies and cute asses.

Looking through the June '15 issue, I came across a little cutie named Chloe Rose. What a great set of tits! You said she's the girl-next-door, well, I would love to have her living next door to me. As the saying says, "Love Thy Neighbor," and I would love the heck out of Chloe. You can bet on that.

Chloe also mentioned

Chloe is super-cute with perfect boobs. She's the ultimate girl-next-door.

that she has a bucket list of things she wants to do, and I would love to be one of those things. I would really enjoy sucking on those big, beautiful E-cuppers, eat that sweet, pink pussy and give that cute ass all the attention it can handle.

Lastly, I love her tattoos. Especially the one on her backside. I think the tattoos show that she has a wild side—which is something I love about girls as cute as her. They say everything is bigger in Texas, and Chloe is a

great example of this with those huge, beautiful titties and that big, bright smile of hers. Thank you V-mag for sharing Chloe and the rest of these lovely big-titted ladies with us.—B.B., Iowa

READER CALLS LARISSA LINN 'A SPECIAL GIRL'

Dear *Voluptuous*,
After all my years as a V-mag and SCORE subscriber, I feel confident in saying I know a

Larissa Linn was one of three stunning debuts in the July '15 issue. Be ready for more of her.

special girl when I see one. And this new gal Larissa Linn, who debuted as the covergirl of the July '15 issue, is special. I knew it as soon as I tore open the packaging, too. I've never seen a cover photo quite like this one. It's in your face, which is great because Larissa has a gorgeous face and I like how she's offering her tits to us. But that was only the tip of the big-tit iceberg.

Things got even better when I flipped over to her spread. Like her headline said, she's "Not Just A Girl, She's 'THE' Girl." I discovered my new favorite *Voluptuous* model thanks to you guys. Her opening photo on page 78 is the perfect combination of sexy, teasing and beautiful. Honestly, I wouldn't be surprised if Larissa were a fashion model. She certainly has the beauty and she poses very naturally for a first-timer. I believe you mentioned that Larissa is natural in front of

a camera, so if this is indeed her first time doing modeling of any sort, I would have to agree. Larissa also has a figure most women would kill for and any man would kill to have underneath them while pounding away on her pussy.

Voluptuous, she's just too good to be true. She's one of those girls whom I would prefer to *not* shoot hardcore scenes because the guy and his cock would get in the way of appreciating her perfect figure. Also, in my greatest fantasies, my cock is the only one in the room. So, I am hopeful that I'll always be able to appreciate Larissa for the lovely angel that she is. I can't wait to see her again.—R.D., Buffalo, New York

together an amazing girl-on-girl-on-girl pictorial in the June '15 issue. That pictorial alone was worth my year subscription. It sure looks like Joana, fresh off claiming her second Model of the Year award, is staking her claim to a third to complete the hat trick. Amorina and Roxanne Diamond are busty and easy on the eyes, too, but

Noelle Easton's (above) July '15 hardcore scene and Lily Madison's (below) tits and body are among the reasons why K.B. is a V-Man once again.

there's something about Joana. She has an energy when a camera is on her that few girls have. Even with two other sexy, stacked girls in the room, she's the one that shines the brightest.

That three-girl spread has to be the hottest you guys have printed in some time. I hope to see more like it. I would also love to see more of the lovely Roxanne. She isn't the bustiest girl ever, but she's cute and has a great figure.—Brandon, Toronto, Canada

Dear Brandon: You're in luck. Roxanne is back for another solo pictorial beginning on page 77 of this issue. Also, she is featured in the April '15 issue of SCORE and the best-selling DVD All Stacked, All Natural 4. Be sure to check those out.

WE'RE HAPPY TO WELCOME THIS READER BACK

Dear Voluptuous,

Well, I took the plunge again! I was a V-mag and SCORE subscriber until about three or four years ago. Honestly, I don't remember why I canceled my subscription, but I picked up several issues of Voluptuous recently and I was floored. The women you are featuring in this issue are awesome! I just discovered some new favorites like Noelle Easton (her XXX appearance in the July '15 issue was great), Elle Flynn, Olivia Jackson (she's beautiful, stacked and has a great booty) and Lily Madison. All of these women are amazing and I'm happy to be a subscriber once again. Thanks for a great big tit mag and I look forward to my monthly issues to see all of the great V-mag debuts to come!—K.B., New Mexico

DULCINEA IS A PERFECT MIX OF SWEET AND NAUGHTY

Dear Voluptuous,

As a guy who loves his women big, beautiful and busty (I usually call them BBBWs), it was a pleasure to see Dulcinea debut in the June '15 issue as the "XL Girl of the Month." With XL Girls dropping to just two issues per year, I hope this becomes a monthly feature so guys like me can get their fix. Just something to keep in mind.

Back to Dulcinea, I loved her feature interview in XL Girls SP282. She's the type of girl who brings more to the table than you would think. She looks so sweet and innocent, and she even mentions her shyness in her interview, but she's into wild things like swingers clubs and intense group sex sessions.

Dulcinea looks sweet, but she's one of the biggest freaks you'll ever meet.

It's an interesting dichotomy. It's also fun to see her go from appearing to be sweet in some photos to very sexual in others as the photos progress. It is very easy to see that despite her shyness, she is very comfortable with her sexuality. This is something to be admired in any woman, but especially one with a voluptuous build. A lot of these girls tend to be insecure about their appearances. I find this to be a bit silly at times because I find them to be so desirable, but I can understand why. There are so many stick figures on TV and in other magazines that these girls may not realize there are thousands (maybe even millions) of guys like myself who adore them.

Dulcinea's V-mag appearance was more of the same in quality. Again, she looked very sexy and very sweet dressed as a sexy secretary. I don't work in an office, but I would love to have Dulcinea as a co-worker. The next step is for Dulcinea to shoot a hardcore scene. She seems like the perfect girl for it. She has the looks, the tits (36HH!) and the sexuality. Hopefully, this is something we see soon.—Name and address withheld

Dear Anonymous: We're glad you enjoyed Dulcinea's pictorials in XL Girls and V-mag. Since you mentioned XXX, we should mention that Dulcinea does have

MASERATI

MASERATI'S FAVE PASTIME

Maserati is a beautiful, busty girl with simple tastes. "I think I'm pretty low maintenance," she says. "I like simple dates with laid back guys. And I like nice, hard fucks. Some guys—and girls—like to get too fancy. You can save all the bells and whistles. Just pull your dick out and let me

do what I do." Maserati is one of the best we've ever seen when it comes to handling a piece of meat. She has full, dick-sucking-lips made to be wrapped around a throbbing dick and with her 34J-cup naturals, she can make your cock disappear as she gives you the tit-fuck of a lifetime.

BARE FACTS

Maserati

Birthday: January 8, 1986

Age: 29 **Height:** 5'4"

Weight: 144 lbs. **Bra:** 34J

Measurements: 42-26-38

Previous appearances: April '14

DVDs: *Voluptuous Xtra 16* and

Voluptuous Xtra 15 (XXX-Rated) available on page 9

When you have tits as big as Maserati's, every shot is a good boob shot. Whether she's bent over as she takes a cock doggystyle or having her pussy filled from the side, Maserati's tits look massive and glorious. These are the kind of tits you worship every day and thank the heavens for your good fortune. Maserati's tits are the kind you

want to play with while you're inside her pussy. Fucking her doggystyle, we'd be reaching around to hold on to a handful of soft, juicy breast as we pound away. "Guys can't keep their eyes or hands off of my boobs," Maserati said. "I've had a few guys that only wanted to fuck with me on top so they could hold them while I ride them."

When fucking a girl with assets like Maserati, deciding where to shoot your load is tough. Do you pull out and drop your jizz on those glorious tits? Because of the size of her tits, it's easy to miss that Maserati has an awesome ass. Maybe you want to pull out, turn her around and drop some man-juice on her plump rump? Neither of those is a bad option, but sometimes, it's best to keep things simple. If you're already inside of this hottie, there's no reason to over think. Just stay right in there and fill her up with the biggest, hottest load she has ever had.

several hardcore scenes on XLGirls.com and she's featured in the movie *Super Sized Rides 4*. We would definitely say she's one of our best hardcore performers in recent years.

HE JUST CAN'T GET ENOUGH OF APRIL MCKENZIE

Dear *Voluptuous*,

I am a huge fan of your magazine, and I really like it when you have one of our favorite models on the cover by themselves. The large cover photos of the V-Girls gives the magazine a very sexy look, so good job.

I just picked up a copy of the July '15 issue and popped in the *Juggy Bangers* DVD that came with it. The movie features April McKenzie, one of my all-time favorite girls, in an interracial scene. I have already jerked to this scene a number of times. She is such a beautiful woman, and she makes me so horny when I watch one of her scenes.

April actually reminds me of a girl I dated in high school. We were good friends and I genuinely liked her as a person, so it was a win-win for me. I have most of April's DVDs, but I do need a few more to complete my collection.

Before I wrap this letter up, I wanted to request a quick return for Samantha Lily. She debuted in the July '15 issue, and she is just so fine. She has a nice body, beautiful face, nice big tits and sexy brunette hair. She looks like she could be a new favorite.—Alex, Ontario, Canada

APPRECIATION FOR BRITISH GIRLS WHO BARE IT ALL

Dear *Voluptuous*,

British models seem to be the most acclaimed of any other nationality. From Carol Brown to Lily Madison (who recently won Newcomer of the Year in SCORE), they seem to consistently be among the fan favorites. I think one of the reasons for this is because they seem to be among the most-inhibited, so I want to show my appreciation for them. In particular, I want to recognize the girls who have shown it all. There are also a few who started off only posing topless but later opened up. Girls like Kelly Kay, Nicole Peters and Lily Madison are at the top of this list.

I would guess that there have been more Brits who were not willing to show it all than others. I wonder if it is a cultural thing that makes more British models unwilling to show pussy. Though it does seem that it is the "exclusive" type of girls who don't like showing pussy. The middle tier of models like Samantha Sanders and Leah Jayne of the mid-to-late 2000s had no problem showing their pussies. The latest inhibited model appears to be Bex Shiner. What makes Bex even more strange is that she says she knows the great Linsey Dawn McKenzie but still doesn't like showing pussy.

So, this is a letter of appreciation to the British models who do show their pussies for our viewing pleasure. And that includes *SCORE* newcomer Katie Thornton. Readers like myself sincerely appreciate this. Thank you.—S.M., Baltimore, Maryland

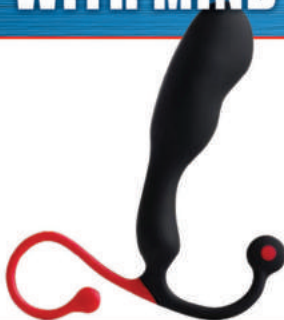

READER DROPPING LOADS TO EMILIA'S FIRST XXX

Dear *Voluptuous*,

I don't think you'll be able to find a happier guy than me right now. Why you ask? Because Emilia Boshe finally strapped herself onto a cocksman and is doing hardcore. I have to say, she certainly looks like a natural in front of a camera with a cock inside of her juicy cunt. Honestly, she was one of those girls I never expected would shoot a hardcore scene. She has always seemed so reserved that I thought simply posing for us was enough of an expression of sexuality for her. But, man, am I glad I was wrong! With her huge tits and plump body, she has everything a guy like me could want out of a porn girl.

Emilia's centerfold photo, in particular, was marvelous. It feels as if she is staring my own eyes with my cock inside of her (while firmly pinching her nipple) and her mountain of tits looking as perfect as ever. I came immediately when I saw that photo. It's an epic shot for an epic girl. I can't wait to see more of her in hardcore action. Now that we have seen Emilia sucking and fucking, there's no going back! I would also like to see her in a threesome. Preferably, the threesome would be with another busty gal such as herself (Anna Beck?) and your most-hung cocksman. If that is too hard to coordinate, I would also be okay with seeing Emilia take on two guys at the same time. Maybe a DP scene? That would be hot.—Jon, England

SAMANTHA LILY

WET TITS, WET PUSSY LIPS

Samantha Lily is one of those girls that makes your jaw drop and your eyes pop. She's a stunner with a tight body and a sublime set of all-natural breasts. She's the definition of the term slim-and-stacked and is the type of girl that will keep boob lovers talking for months—if not years.

Wrote [Scoreland.com](#) member Roberto: "Wow, she is so fresh and so pretty. The typical girl-next-door! And what to say about that pair of beautiful super big mams? I have no words to describe what I feel inside my pants when I see her." No words are necessary, Roberto. Just enjoy the view.

Samantha has been a cam girl for about three years and is studying veterinary medicine. Sexually, she says that she tends to be fairly conservative. "Missionary is actually my favorite position," she said. "Some people call it boring, but I don't understand why it would be boring. The man can get all the way inside me and he can play with my boobs and suck on my boobs while fucking me. That's not boring." Samantha makes a compelling case. There's nothing like sucking on a perfect set of tits while fucking a chick. Another fun fact about Samantha is that she's a boob lover like us. "I love tits. I have a boob fetish. That is probably my only fetish. I love all breasts."

BARE FACTS

Rub-a-dub-dub, we love big, wet boobies in a tub. Well, to be honest, we love boobs anywhere. But there really is nothing like seeing droplets of water run down a busty girl's tit flesh. It's one of the simple things that makes being a boob man so great. One of the great things about Samantha is that she's as sweet as she looks and she doesn't understand why some men are intimidated by her. "I don't know why guys have problems getting up the courage to talk to me. Probably they are scared because of my big chest, or maybe guys think that I am arrogant and only date rich men. That is not true."

Vmag
DEBUT

ELLIE ROE

STACKED, SEXY AND READY

V-Men, say hello to Ellie Roe. She's 26 years old and our latest British import. Ellie was referred to us by Charley Green, a former *SCORE* Girl. We owe Charley big-time for this one. Ellie is drop-your-load drop-dead-gorgeous. She's smart, confident and kind of a firecracker, too. "I like singing and learning new languages," Ellie said. "I love reading, too. I'm really into erotic novels. I like getting wrapped up in the fantasy of it all." Right now, our hands are wrapped around our cocks and we're wrapped up in a fantasy about Ellie.

Ellie says she was always the bustiest girl in school. Ellie is a 36F-cupper now and says she was already a D-cup by the time she was 13. She's accustomed to getting loads of attention because of her boobs and expects it at this point. "There's nothing I can really do to cover them," Ellie says. "Even when I wear t-shirts, you can tell I have big boobs. I get looks from both men and women. It's actually more weird if people don't look at my tits. It feels like something is off if you don't look." Ellie won't have any reason to feel weird with us. There's no way we're looking at anything but her tits.

BARE FACTS

Ellie Roe

Birthday: May 4, 1989

Age: 26 **Height:** 5'7"

Measurements:

48-38-46 **Bra:** 36F

Born & Lives: United Kingdom

Online: Solo photos and videos available on XLGirls.com

In addition to reading and singing, Ellie enjoys nights out with friends and watching wrestling. We certainly wouldn't mind a rumble and tumble on the mat with Ellie. She's actually a very kinky girl, so we think she'd be down for this. "I like to keep things interesting in the bedroom," Ellie said. "I like dressing up in leather and whatnot. I'm also into spanking and a little bondage, too. It's a fun opportu-

nity for me to be the one to take control." Ellie still has a few items to check off her fuck-it list, though. "I'd like to have sex outdoors. It could be in a park or just a public place. A bathroom or a dressing room would work, too. The fear of getting caught would make it hot." Ellie is also into girls and her first time was with an older woman. "She really had her way with me. I loved every bit of it."

Catching Up With The Queen of Cups

Renee
Ross

INTERVIEW BY
DAVE ROSENBAUM

Top-5 and Top-10 lists are all the rage these days. We love ranking athletes, movies, actors and moments. And debating the merits of each entry. Well, if we were to put together a list of the top busty naturals of all-time, there would certainly be no debate about Renee Ross. There isn't a question that Renee stands tit-to-tit with the greatest big-bust models ever to step in front of a camera. Heck, many consider the JJ-copper to be the greatest of them all. And as the star of four feature films, the first two-time Model of the Year winner in Voluptuous history and a former Newcomer of the Year, she certainly has the accolades to support that position. She's one of those girls that is universally loved, admired and desired. And she's back.

In this interview, we catch up with our favorite Virginian vixen and she reminisces on her first shoots, shooting hardcore for the first time, how life has changed for her since becoming a V-Girl and why all nurses are freaks. Our girl is back in town, and we couldn't be happier.

*"My life changed after I
began shooting. It
changed for the better."*

One lucky stud was double-teamed by Renee and fellow busty legend Samantha 38G (left) in our now-classic release, *K-Jugs*.

V-MAG: We are in the dressing room with a person we may thought never see again. But she's back. Hi, Renee.

RENEE Hi!

V-MAG: It's the great Renee Ross. When you hear yourself described as, "The Great Renee Ross," what do you think?

RENEE: I giggle. And I feel shy and flattered. I'm not sure if most people

ever think of themselves as great. But maybe I am and I don't know it.

V-MAG: I'm sure Michael Jordan thinks of himself as great.

RENEE: [Laughs] I'm sure he does.

V-MAG: And you're like the Michael Jordan of big boobs.

RENEE: [Laughs] Well, I've never heard that before.

V-MAG: Well, we just made it up.

Renee, you're a two-time Voluptuous Model of the Year and starred in a few movies.

RENEE: Yeah, *Sex In The Titties*, *K-Jugs*, *Tits, Tits, Tits...*

V-MAG: *Tits, Tits, Tits*. We're so creative, aren't we? There's another one. *All The Way Renee*.

RENEE: Oh yeah, that was fun. That was hardcore. I like shooting hardcore.

V-MAG: You do like shooting hardcore. You once told us you liked shooting hardcore more than solo.

RENEE: Yeah, I think that's because I get nervous by myself. But with other people around, I kind of relax a bit.

V-MAG: So it has nothing to do with you liking sex, huh?

RENEE: [Laughs] Well, of course, I do.

V-MAG: Have you ever watched yourself have sex on camera?

RENEE: Yes, but not for long. I can watch it alone, but I can't watch it if there are too many people around. I'm kind of shy like that.

V-MAG: Have you ever gotten off while watching yourself have sex on-camera?

RENEE: I don't think so. I have watched it while having sex.

V-MAG: So you've watched yourself having sex while having sex? How did that happen?

RENEE: I was with a guy, and I asked him if he wanted to watch a little porn. He said yes, so I popped it in. And the guy was surprised because he wasn't expecting me.

V-MAG: So he didn't expect to see you having sex on-camera, or he didn't know you had done it before?

RENEE: He knew I had done it, but he wasn't expecting me to turn on the DVD.

V-MAG: That must be kind of weird for a guy.

RENEE: I don't think he cared. Though, I guess he could get a bit intimidated because I'm the one on TV, and he's thinking about me being a porn star in that moment. I tell them not to think about it and just fuck me.

V-MAG: It's probably hard not to think about it.

RENEE: Yeah, I'll say they can look at it, but I won't look at it. I'm a little shy. It's weird to hear yourself in the scene.

V-MAG: You are a shy Southern girl. You kind of go into a bit of a Southern accent sometimes.

RENEE: It does tend to happen on-camera. Especially when I'm doing these interviews.

V-MAG: Renee, we forgot to welcome you back. So welcome back, Renee and your big boobs.

RENEE: Thanks. My boobs say hi!

Renee's combo of boobs & beauty quickly made her a favorite.

A full-time nurse when she isn't shooting, we had to bring our busty nurse fantasy to life with Renee Ross. She didn't disappoint.

Renee Ross was the center of attention in Sex In The Titties. Six years later, guys are still talking about this all-girl sex party.

(From left to right) Camelia Davis, Hillary Hooterz, Scarlett Rouge, Renee Ross, Selena Castro and Haydee Rodriguez go tit-to-tit in one of our hottest, bustiest releases ever.

V-MAG: Other than at our studio, have you ever met anyone with boobs as big as yours?

RENEE: No, I don't think so.

V-MAG: By the way, when was the last time we saw you? It has been a while.

RENEE: I think the last time was in 2009. It's been a long time.

V-MAG: Six years. That's an eternity in boob years. Did you ever think you would be back?

RENEE: I've definitely thought about it over the years, but I guess I never had time. Life gets in the way.

V-MAG: So you thought about it.

RENEE: Yeah, I thought about it every day. I show people my pictures all the time. It's always a topic of conversation. Every time I see a big-boobed girl, I tell them they need to go shoot.

V-MAG: Do you really? Do they ever do it?

RENEE: Yeah. I think I've recruited three girls over the years.

V-MAG: So do you actually walk around with pictures of yourself?

RENEE: Yeah, I have them on my phone. I have a whole file.

V-MAG: What kind of reactions do you get?

RENEE: They usually say, "That's not you!" They usually don't believe me until I tell them to look at my tattoos and boobs.

V-MAG: For the record, you look almost exactly the same in person as you do on-camera. So you thought about coming back, and here you are. It's almost liking coming back home, isn't it?

RENEE: I'm actually kind of nervous. I don't know why.

V-MAG: Why are you nervous?

RENEE: I'm not sure. Maybe because it's been so long. I'm excited to be back, though. I've missed everyone. I especially missed the fans. I always try to read the comments. They're so sweet and make me feel so good.

V-MAG: I think I remember you saying you were shy when you debuted, and then you got over it. And now you're shy again.

RENEE: Yeah, it's been a while. I am a shy Southern girl like you said.

JULIANA SIMMS

SHE'S THE TOTAL PACKAGE

In V-Spot, we ask readers to tell us what attributes and physical assets makes a V-Girl their dream girl. Is it only about the size of her tits? Maybe a girl with a winning smile. Some guys love a girl with a curvy figure and thick thighs. Well, if you ask us, we like girls who have it all. We

like big soft naturals, a sweet smile and a jaw-dropping figure. Which is why Juliana Simms is one of our favorite 2015 newcomers. From her F-cup tits to her womanly figure, she's simply the total package. This dream girl is a gift to boob lovers the world over. And we're glad she's back.

"I am a little shy," Juliana said. "So when men approach me, I am usually quiet. Sometimes they think I'm mean, but I'm just quiet. It is flattering when men tell me I'm beautiful. That is why I wear clothes that show my big tits. If you keep talking to me, I will become very outgoing." Looking at her photos, it's hard to believe that Juliana is shy. She oozes confidence in front of the camera and poses like she has modeled for years. "I do like to try new things. Modeling is something I wanted to try."

Juliana is a glamour girl with the personality of a girl-next-door. She's as sweet as can be and enjoys doing simple things like cooking, reading and the occasional night out with a group of friends. And when it comes to sex, she says she enjoys passionate sex, preferably with someone she has known for a while. So, she's a good girl. But even good girls have their fair share of flings. And Juliana is no different in that regard. "A few years ago, I had a relationship with an American tourist. He was very kind. We went to nice dinners and movies and we had the best sex. He loved my big breasts and my figure and was very attentive. It was amazing."

A full-page photograph of Karla James, a woman with long dark hair, wearing a white button-down shirt with the top buttons open, revealing a black bra. A red tie is draped around her neck. She is also wearing a brown and blue plaid skirt with a blue lace hem. She is looking directly at the camera with a slight smile.

SCHOOL OF RACKS!

**Class is back
in session
and 12 of
our bustiest
babes are
ready for
the new
semester at
Hooter High.**

Back-to-school season is an exciting time. It's a time for new beginnings, new outfits and new friends. But it also means it's time for a Schoolgirl Special featuring a dozen of our bustiest babes. We don't care who you are or where you're from, every guy loves a hot chick decked out in a schoolgirl outfit. We don't know why, but it's just one of those things we know to be true. And if that girl is blessed in the chest area, well, it gets no better than that. Take a girl like Karla James. If this British bra-buster were one of our classmates when we were in school, we wouldn't have missed a single lesson. The same applies to J-cup Asian sensation Hitomi. We'd let her copy our homework and cheat off our tests if it meant just one peek at those perfect, natural breasts.

**Whitney
Stevens**

Whitney Stevens is a super-busty book-worm who likes to study in her backyard after school.

Hitomi

Ashley Sage

Ashley Sage Ellison is a fantasy girl no matter what she wears. But with her J-cup jugs poking through her school uniform, she has us daydreaming about participating in some naughty after-school activities with her. Despite her surname, Ariana is no angel. She's the bad girl in class who wears tops that are cut a bit too low, skirts that are a bit too short and flirts with the professor after class while giving him full view of her perfect rack. Ivy Darmon probably wouldn't be allowed on campus at any other school wearing a top that sheer with no bra. But she's a student at Hooter High where this is not only acceptable, but it is encouraged. Ivy is one of our top students.

Ariana Angel

Ivy Darmon

Jennica Lynn

Janet Jade

Terri Jane

Jennica is one of the most-popular girls on campus. With her M-cup tits, she has the biggest rack on campus and she's the flirtiest girl, too. 30K-copper Terri Jane is the consummate good girl. She is always focused on her studies and barely notices that all the guys check her out on her way to class because of the way her heavy naturals bounce. Janet Jade is a DDD-cup teacher's pet who sits in the front of the classroom and brings something special to surprise her professor before every lesson. Her tight body and soft naturals are special enough, but Janet is an overachiever.

Anna Song

Valory Irene

Valory Irene is the ambitious girl. She gets straight A's, volunteers and is the president of the debate team and math club. But what the other students don't know is that she has a wild side waiting to be unleashed. This F-cupper is not as innocent as she seems. She wants to flash her classmates and she wants to hook up with a guy in the girl's bathroom. On the other hand, Kali West is the girl everyone knows is a freak. And her male classmates love her for it. She flashes classmates and professors all the time. And she hooks up with guys regularly.

MORE TO LOVE

Any chick whose surname is Juggs has to have a magnificent set of tits. Sashaa Juggs doesn't disappoint in that department—or any other, honestly. And after about a year and a half away, one of *XL Girls'* most-popular plumpers is back. And she looks bustier and curvier than ever, too.

"Yeah, I have some more cushion for the pushin'."

it. Guys can't take their hands off me. Which I don't mind at all."

And we can't take our eyes off of Sashaa right now. When we last saw her, she wore 41I-cup bras. These days, Sashaa looks like she is probably a J-cuppper. And we're loving it.

Sashaa is one of our best hardcore performers in recent years, and she's hotter than ever in her latest scenes, which are up now on XLGirls.com.

"I've got the boobs and I have the booty," Sashaa said. "That's why I'm so good at fucking. Well, that's what guys tell me. I hope everyone else agrees!" You bet your fine ass we do, Sashaa.

BUILD-A-DREAM-GIRL

about girls in our offices. Our debates range from best tits, body, face and best fuck. It can get pretty intense. It's guy talk at its finest. Everyone has valid reasons for their particular opinion. It got us to thinking, though. If our readers could build their ultimate V-Girl, what attributes would they choose? It's fun to think about. Would you pick and choose traits from certain girls? Like, say, Linsey Dawn Kenzie's tits, Karina Hart's ass, Cherry Brady's ass and Sage Ellison's face? Would it be a combination of all of them? Or maybe there's a girl in our pages who qualifies as your ultimate dream girl. Alaura Grey's classic and JJ-cup tits has had

guys falling head-over-heels since she burst onto the scene a few months ago.

We want to hear from you, V-Men. Email us at Voluptuous@SCORE-GROUP.com or send a letter to 1629 N.W. 84th Avenue, Miami, FL 33126.

GOT MILKA?

Unless you count milking cocks, Sandra Milka isn't actually milking. But this new natural is sexy as hell, and that matters to us. Sandra was born in Dusseldorf, Germany and lives in Barcelona, Spain now. She's an F-cuppper and this is her first time doing modeling of any sort. What brings this babe over to us?

"I like to live my dreams," Sandra said. "Posing nude has been a dream of mine for a long time."

And we like helping girls fulfill their dreams. Look out for Sandra's debut in an upcoming issue of *Voluptuous*.

Sandra ready to bare her bust and spread her lips for boob hounds.

CASSIE CUTE

THE CUTEST LI'L FUCK DOLL

Our favorite thing about Cassie is that she looks way too innocent to do the things she does. The warmth of her smile and her cute bangs make her look like a schoolgirl who's saving herself for marriage. But Cassie is far from innocent. She's actually really dirty. And we saw just how dirty she

can be in the July '15 issue when she popped her hardcore cherry. This 34F-copper was a dirty little slut in that pictorial, and she eagerly gobbled our cocksman's throbbing meat. And she was left with her pretty face and heavy tits covered in hot jizz, too. She's the perfect little fuck doll.

One of many suggestions we get from readers is that we should let girls pose with their boobs just hanging. No fondling, no cupping. Just let those natural wonders hang in all of their glory. This spread makes it clear why guys enjoy photos like that. An unobstructed view of Cassie's boobs is marvelous. Milky white and soft, we would stare at these naturals all day if we could. "Every guy I date is obsessed with my boobs," Cassie said. "They always want to play with them and they like watching me get dressed. Especially things like putting my bra on or putting a top on. It's funny. I really don't mind it at all."

If there's one thing that hints at how freaky Cassie is, it's her pussy piercing. Style is never the reason a girl pierces her pussy. No, she pierces her pussy for reasons that are sexual. "I get little rushes because of my piercing," Cassie said. "It usually happens if my panties rub against it the right way. Also, my piercing makes sex even better. It's like a target for guys. They see the piercing, and when they go down on me, they go right for it every time." This girl has brains to go with her beauty.

Katarina Dubrova has a bun in the oven, but she still wants a cock in her pussy. Pregnancy makes women hornier, and Katarina is hotter than ever. "My husband loves it," Katarina said. "I know how to get him in the mood, too, so he never has to ask. I am always ready for him." Katarina's hormones are ramped up and her body is extra sensitive. Her milk-filled tits are soft and her nipples are always erect. Even the most tender of touches makes her pussy wet. Sex with a pregnant woman is a unique erotic experience. And she's sharing it with us.

KATARINA

MAMA'S ABOUT TO BURST!

It's easy to see why Katarina got knocked up. She's eight months pregnant in these photos, and you can tell she knows her way around a cock better than most other women. Katarina is a sensual lay who makes the most of every touch, kiss and lick, and she likes her man to make the most of every thrust into her pussy when he's fucking her. "Some men just try to fuck as

hard and as fast as they can," Katarina said. "I like when a man takes his time. Start by caressing my body and kissing my tits before licking my pussy. And when you go inside my pussy, be deliberate but firm. We can both enjoy every stroke together that way." When a hot girl like Katarina tells you how she likes to be fucked, you would be wise to follow her instructions closely.

We thought Katarina was pretty damn sexy prior to her pregnancy, but she's reached new heights since her pregnancy. Her scenes in our latest release *Preggos & Milkers 2* are among the highlights of that movie. We just didn't expect her to be so sexual and sensual. She clearly enjoys fucking more than ever now that she's knocked up. "Everything is more intense," she says. "I like squeezing my tits while I ride my man so I can squirt my milk into his mouth. And when he's done, I always swallow his cum. I love the taste."

stranger and strike up a conversation?
RENEE: Yeah, I'll do that. I'm not shy in social settings, but I am kind of camera shy.

V-MAG: So, it's been six years. Are you still living in Virginia?

RENEE: Yes, I am. And I'm still a nurse.

V-MAG: No matter the niche, whether it's big boobs, MILFs or something else, nurse seems to be the most common profession for our girls.

RENEE: It's because nurses are freaks.

V-MAG: Is that true?

RENEE: Oh, it's a known fact. Nurses are freaks. That's all there is to it. I've never met a nurse that wasn't a freak.

V-MAG: Why is that?

RENEE: I think we're more comfortable with our bodies and the idea of being naked. I'm totally guessing, though. All you need to know is that we're freaks. [Laughs]

V-MAG: Let's say it's a late night on your shift, and a bunch of you nurses are sitting around because there's nothing to do. Has a nurse orgy ever come close to breaking out?

RENEE: That's funny. We have actually joked about jumping into a supply closet before. It may have been possible if I still worked at the hospital, but I don't work there anymore.

V-MAG: Have you ever caused a patient to have a heart attack because he recognized you?

RENEE: I did have one guy recognize me because of my tattoo. He said, "I know you!" And I responded, "No you don't." He was a younger patient and we kept on talking a bit. Eventually, he says, "I've seen you online!" And at that point, I'm thinking, "Oh, my gosh. This is weird. I think I'll have another nurse take care of you." [Laughs]

V-MAG: What were you wearing?

RENEE: I'm sure I was wearing scrubs. They were probably tight. I can't really find scrub tops that aren't tight.

V-MAG: Scrubs have to be the least sexy outfit in the world, right?

RENEE: Have you seen scrubs lately? They're made to fit your body now and everything. They're definitely sexier than they've been in the past.

V-MAG: So, scrubs are hot. We didn't know that.

RENEE: Yeah, they're form-fitting, tight

ROXANNE DIAMOND

A DIAMOND IN THE BUST

The last time we saw Roxanne Diamond, she was having some lezzie fun with Joana and Amorina in the July '15 issue. The girls had a blast and there was enough breast to feed a small village in that shoot. "I've always liked girls," Roxanne said. "Especially girls with big boobs. Boobs are

fun to play with and nice to suck and kiss. I like girls as much as I like guys. Girls are great for kissing and I love kissing. But there's nothing like having a dick inside me. That is always the best feeling in the world." We can only imagine how good it feels like to be inside Roxanne.

Roxanne has the type of figure that makes any healthy man's mouth water. Her body is tight, but still soft and feminine, and she has perky 36F-cup naturals we'd love to oil up and slide between for a tit fuck. "Oh, every guy wants to tit fuck me," Roxanne says with a laugh. "I like doing it because I think it's hot to see the guy's reaction to

it. I get to be in control when I'm tit-fucking a man, so I decide when you cum. I like teasing the guy a little bit by licking the head of his cock while I tit fuck him. And when he cums, I like it when he shoots it all over my tits and chin. I love making men feel good." There's nothing better than a woman who enjoys jizz and pleasuring men.

It isn't surprising to learn that Roxanne is a girl that likes adventure. She loves experiencing new things and she said she would like to try skydiving one day. She also likes adventurous men. "I like a man that can show me new things," Roxanne said. "I mean that in the bedroom and outside of the bedroom. If a man can excite my mind and my body at the same time, I will be addicted to him. If you can make me cum harder than anyone has ever made me cum, I will return the favor several times over. I'm just that type of person." Roxy, you're the type of person we love.

and hug your body. There are some hot nurses out there.

V-MAG: You're one of them!

RENEE: I don't know about that.

V-MAG: You don't think of yourself as hot? How many porn scenes have you done? About 10?

RENEE: Actually, I'm not sure.

V-MAG: Of course, you've only shot for The SCORE Group. You're all ours.

RENEE: Yes, only for SCORE!

V-MAG: So, the scrubs are better, but you're not dealing with adults anymore.

RENEE: Yeah, now I have to wear teddy bears, balloons and SpongeBob.

V-MAG: Oh, I bet you still look sexy.

RENEE: Those kids love me to death. Some are teenagers and there are some adults. That can be a little awkward.

V-MAG: You're pretty warm-hearted aren't you?

RENEE: I think I am.

V-MAG: Why do you think you're warm-hearted?

RENEE: Well, I'm passionate about what I do. I think I'm really nice, too. I don't know. You should tell me.

V-MAG: Well, you seem very authentic.

RENEE: Well, I do try not to be fake.

V-MAG: Yeah, when we see you having sex on-camera, you look like you're really enjoying it.

RENEE: Of course! I enjoy sex.

V-MAG: Were you surprised by how much you enjoyed having sex on-camera?

RENEE: I think I was a little bit surprised.

V-MAG: What were you expecting?

RENEE: I thought there was a chance I may not be into it. Because you do have to have a little connection with whomever you're with. If the connection isn't there a little bit, then it could be hard. I guess it just comes naturally.

V-MAG: You're just naturally horny.

RENEE: [Laughs] Pretty much.

V-MAG: So what's your bra size now?

RENEE: I think the last time I got measured, I was a KK. But the bras that I wear are a JJ.

V-MAG: KK is about two cup sizes bigger than a JJ. How big is the bra you're wearing now?

RENEE: I think it's a D or DD. I squeezed into it.

V-MAG: When was the last time someone recognized you?

RENEE: People tend to recognize me more on Facebook than in person. I don't think of myself as famous.

V-MAG: Well, you are kind of famous in our circles.

RENEE: Yeah, I guess if someone knows about all this. Like at the hotel this weekend, I was at the bar. This guy sits next to me, notices my tattoo and says I'm very beautiful. I thank him and eventually he asks what I'm doing in Miami. I said I was here for work, and he asks me what I do. I giggled and asked him, "Do you want to know what I really do or do you want to know what I do?" He ended up paying everything for me all weekend.

V-MAG: Really? Beautiful with big boobs really gets you far.

RENEE: Yeah, there are perks. He knows about the whole big boob niche and he's a fan. It was cool.

V-MAG: You said you kept in touch with some of the girls you've shot with. Who have you kept in touch with?

RENEE: Well, of course, Ms. Samantha 38G. We're good friends and speak on Twitter a lot. I haven't talked to her in a year or two, though. I've kept in touch with Camelia. We actually discussed doing a little *Sex In The Titties* reunion. It would have been a girls night out in Vegas, but we couldn't coordinate it.

V-MAG: We should have shot that.

RENEE: That would have been fun! A few older SCORE Girls reached out to me, too. Cherry Brady reached out to me, and so did Maria Moore. We never shot together, but there was a period when we talked all the time.

V-MAG: She has huge boobs. Speaking of boobs, can we see yours?

RENEE: Oh, so you want to see them? [She begins unhooking her bra]

V-MAG: I think we may be all caught up on the last six years, Renee.

RENEE: Yeah, I think we are. Married, divorced, two kids.

V-MAG: Oh, so you're single now? And you have two kids?

RENEE: Yes, I am. Well, I had the first one when I shot six years ago and the second one was born after.

V-MAG: How big did your boobs get when you were pregnant?

RENEE: They were huge. If I could do milking, I would have been squirting all over. I couldn't even breastfeed. I had to get a pump.

V-MAG: Well, Renee, we're happy to have you back.

RENEE: Thank you. I've had fun. ①

HARLOW NYX

LITTLE RED RIDING HOTTIE

"Your cock is so big," Harlow Nyx says as she slides Mirko Steel's throbbing man-meat into her mouth. Mirko is in for one hell of an afternoon. This saucy redhead is as big a nympho as you'll ever meet. "All the better to fuck you with," Mirko replies. "I'm going to bang your brains out." This is going to be good. We got a taste of how kinky Harlow can be in her July '15 debut when she talked about her love of DP's and orgies, but today, we're getting a full serving.

"I love being watched," Harlow said. "That's the reason I decided to fuck on-camera in the first place. I'm a big exhibitionist. I love lounging around on my balcony naked and I've fucked in public a few times. Like during an intermission at a thrash metal concert." Harlow is a girl we certainly wouldn't mind bumping into in a mosh pit. Though when you jump into a mosh pit, you're usually worried about getting hit by an elbow. This isn't the case if Harlow is moshing next to you, though. "I've given a guy a black eye with my tits before. It was actually pretty funny."

BARE FACTS

Harlow has an interesting way of describing her preferred fuck buddy. "I like a person who is a chaotic neutral," she says. "I like an affectionate partner who isn't afraid to get rough at the right moments. When is the right moment? Well, it should come as a surprise to me. The most exhilarating part of sex is not knowing what is going to come next. Keep me guessing. Keep me engaged. Keep me trembling." Harlow is the type to try everything once and then do it a second time to make sure she likes it. "I explore fetishes. If someone throws something at me, I just say, 'Let's do it!' I don't hesitate."
